

Rechargeable LED Flashlight with Worklight (56412)

Klein Tools' rechargeable flashlight also works as a handy work light with its magnetic end cap and side-barrel LEDs. This versatile light offers 5 total modes. Smartly designed to turn back on in the same mode you last turned it off, so fewer clicks to get to your favorite mode. This durable flashlight is IP66 dustproof and water-resistant, making it a perfect everyday light on the job site.
