**INSTRUCTIONS FOR USE:**

This product must be used in accordance to the following directions by HVACR professionals only.

1. Use on air conditioning systems up to 5 tons. Use entire contents of can.
2. Charge A/C Re~New through the low side service port using the A/C Re~New Injector Tool (P/N 4057-99) or any other commercially available injector to safely transfer 4 fluid ounces into the HVAC system. Refer to Nu-Calgon bulletin 3-80 for detailed instructions.
3. Use standard air conditioning, refrigeration service techniques and practices at all times.

**WARNING**

Causes skin irritation.

**PREVENTION:** Wash skin thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection.

**RESPONSE: IF ON SKIN:** Gently wash with plenty of water. If skin irritation or rash occurs: Get medical advice/attention. Take off immediately all contaminated clothing and wash it before reuse.

**STORAGE:** KEEP OUT OF REACH OF CHILDREN.
