Nu-Blast®

CONDENSER COIL CLEANER

No Rinse Required

High Solvency Cleaning Power

High Pressure Blasting Nozzle

Nonconductive and Nonflammable

Great on Stubborn Soils

Leaves No Residue

Pleasant
Citrus Scent

This high performance aerosol product offers maximum cleaning of condenser coils. The high solvency formula and blasting nozzle powerfully separates the undesirable materials from the surface.

DIRECTIONS FOR USE:

This product must be used in accordance to the following directions by HVACR professionals only.

1. Spray in well ventilated area as this product has a fragrance that will be objectionable to some people.
2. Be certain there is nothing behind coil that could be hit by spray. Place cloth or other protection under coil.
3. Spray entire coil surface, allowing blast pressure as well as cleaner to work. Thoroughly wet entire surface.
4. Allow the product to flush soils from the coil onto the cloth. Once the coil surface is dry by evaporation, cloth can be removed.

IMPORTANT: The product may affect certain plastics including those used in newer model drain pans. Do not allow product to remain in contact with these materials. Wipe immediately with an absorbent media such as paper or cloth towels.

Vapor harmful. Contains Trichloroethylene.

Use with adequate ventilation to keep exposure levels below the 25 parts per million O.S.H.A. permissible exposure limit (PEL) during an eight hour period (time weighted average).

NOTE: This product is prohibited for sale in California.

CONTAINS (CAS#): Trichloroethylene (79-01-6), Carbon Dioxide (124-38-9), Orange Oil (8008-57-9).

DANGER

Contains gas under pressure; may explode if heated. Causes skin irritation. May cause an allergic skin reaction. Causes serious eye irritation. May cause drowsiness or dizziness. Suspected of causing genetic defects. May cause cancer. May damage fertility or the unborn child.

PREVENTION: Wash thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist or vapor. Contaminated work clothing must not be allowed out of the workplace. Use only outdoors or in a well-ventilated area. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood.

RESPONSE: If on skin: Wash with plenty of water. If skin irritation or rash occurs: Get medical advice/attention. Take off contaminated clothing and wash before reuse. **If in eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. **If inhaled:** Remove person to fresh air and keep comfortable for breathing. Call a poison center/doctor if you feel unwell. If exposed or concerned: Get medical advice/attention. **If swallowed:** Rinse mouth. Do not induce vomiting. Get medical attention if symptoms occur. Never give anything by mouth if victim is unconscious, or is convulsing. Obtain medical attention.

STORAGE: Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Keep container tightly closed. Store locked up. **KEEP OUT OF REACH OF CHILDREN.**

DISPOSAL: Dispose of contents/container in accordance with local/regional/national/international regulations.
